

SPEED QUEEN® ON-PREMISES LAUNDRY SOLUTIONS

Chest Heated Ironer

130

Features and Benefits

- Compact design with bigger space for comfortable feeding of linen
- Microprocessor button control – simple, clear and easy to use
- Variable speed and chest pressure to ensure top ironing quality
- Standard finger guard protection – for increased safety
- When unattended, the ironer shuts off automatically
- Controlled temperature regulation offering better temperature distribution and reduced energy consumption

- Long-life heating elements
- Anodised extruded aluminium profile avoiding temperature drop
- Backside of the heated chest is insulated with ceramic wool
- Reduced number of mechanical and moving parts for a lower maintenance cost
- All vital components are easily accessible
- Start/stop pedal for simple and smooth operation

Options

- Frequency inverter enabling variable ironing speed
- Fan exhaust removing humid air from the ironer
